Physical Education

Teachers are to maintain students' grades and progress on the District's electronic grade book program. Teacher grade books are auditable documents and are maintained digitally by network services. Every effort is made to record a minimum of one grade per week for each content area. The first week of school, district-wide assessments, and state testing weeks are allowable exceptions. Gradebooks are updated on a weekly basis.

Progress reports will be sent home for students halfway through the quarter.

Students become self-directed in learning about themselves as a learner. They have to analyze their own study habits to figure out what actually works for them, this helps students retain knowledge.
