

You are about to embark on a journey into deeper thinking and creative problem solving. The following \_\_\_\_\_are meant to get you thinking like a young and effective researcher. You will compile your work into a digital research portfolio (like Google Slides with a cover page that states your name, the name of the class, my name, and the date it is due:

I will help you compile your work during the first week of sc

***AP Seminar Glossary***

*Alignment- Cohesion between the focus of an inquiry, the method of collecting information, the process*
