Mrs. McCormick's 7th Grade Math Syllabus

Students in 3rd through 12th grades will receive marks for their overall performance in each course of study using the following le er grade scale. Overall course grades for students in grades 3-12 will be calculated from the average of the student's assignment scores* (assessments, coresteinments).ovks. Ilodd par ts.alscandards usdenct tol

A = 90-100%

B = 80-89%

C = 70-79%

D = 60-69%

F = 0.59%

Grades of "D" and above are passing marks. A course grade of "F" indicates that the student has failed the course.

Students in 3rd through 12th grades will receive marks for their proficiency towards the grade level standards using the following scale. These marks are for informa on and do not calculate the student's overall course grade.

4 = Highly Proficient

3 = Proficient

2 = Par ally Proficient

1 = Minimally Proficient
