

MOUNTAIN SHADOWS ELEMENTARY SCHOOL
School-Parent Compact
Developing leaders through the 7 Habits.

Mountain Shadows Elementary recognizes that a shared partnership among students/parents, and school is required to fully implement its Mission Statement. This voluntary compact will assist everyone's efforts as...

Students accept the responsibility to:

- Attend school regularly and be on time
- Work to the best of their ability in class and at home
- Follow the school rules
- Ask for help when needed
- Respect and cooperate with other students and adults
- Accept the choices they are making by following the CHOICE progression model
- Have high expectations of themselves and fellow students
- Be life-long learners

Parent or guardian accepts the responsibility to:

- Schedule daily homework time, review homework regularly, and discuss what their child learned
- Read with their child and let younger children see others actively reading in the home
- Keep in touch with school through regular visits, phone calls, written communication, and attendance at parent meetings
- Maintain high expectations of their children by supporting their regular school attendance
- Keep well informed of all activities in which their children are participating, both during and after school, and the whereabouts of their children after school
- Offer support during all stages of the CHOICE progression
- Follow and support the school rules

Teachers and staff accept responsibility to:

- Show that they care about all students
- Have high expectations of themselves and all students
- Provide quality instruction that will promote learning and academic success
- Provide a safe environment conducive to learning and academic success
- Follow the CHOICE consequence progression
- Provide support and communication to students' families
- Be life-long, self directed learners

Administrators accept the responsibility to:

- Establish goals, expectations and shared responsibility for school, parent, and student
- Train school staff including the administrator, teacher, other school staff, and parents regarding the importance of school-home partnership, quality instruction, and safe and orderly environment
- Support students and staff in following the CHOICE progression
- Give parents a voice in decisions regarding their children's education
- Support extend
