

Course Title: Health Education
Instructor: Greg Ricee

Technology:

Because we are a technology rich campus, we are expanding the use of iPads as a daily learning tool. The iPads will be increasingly integrated into the curriculum to reinforce critical thinking, collaboration, and cognitive engagement. I will designate during which activities students may use the device, and I will articulate how the device should be used appropriately. If a violation of the stipulated use occurs, consequences will be enforced in accordance with the DVHS Student Handbook.

Canvas grade:
