

Use this page to help you navigate Canvas ***via internet (not app)***:

Step	Directions
1	Using a tablet or smartphone, open up Canvas. **Older technology will not be able to use the app. You will need to go to the internet to log in. Link on the band website. **Classroom provided iPads have the link saved to the homescreen.

Use this page to help you navigate Canvas *via the app*:

Step	Directions
1	Open the Canvas Student app on your smartphone or tablet. The app is free for download.
2	Select your school: **If the school does not appear and you are on campus, go into settings and change the WiFi to the GUEST network. Log into Canvas using your username and password (just like when you are in a computer lab).
3	Click on Assignments. You will see all assignments are grouped by what is upcoming and what is past due. Click on whatever assignment you are going to complete. Read the directions (if provided) for this assignment.
4	When ready, click on SUBMIT ASSIGNMENT. You will be taken to a screen that has 3 tabs... you need to click on the "Submission" tab. On your screen it will say "Turn-in" on the left and "Message Instructor" on the right. You MUST click on "Turn-in". **Do NOT use the Message Instructor ottdor r
